

THE FIVE BEHAVIORS OF A COHESIVE TEAM™

The Five Behaviours of a Cohesive Team™ has a simple goal for teams; to facilitate an impactful learning experience and a comprehensive process allowing team and business discover what it takes to build a truly cohesive and effective team.

Facilitation

The Five Behaviours of a Cohesive Team provides teams and organisations with the key to building result oriented, collaborative, effective teams. Performance Partners engage team members in understanding how they build trust, navigate conflict and build commitment and accountability. We help teams explore how various styles interact and communicate which can help or hinder productivity, performance and cohesiveness.

Key Learning

By incorporating proven, research-based assessment data, The Five Behaviours of a Cohesive Team is a very unique and personalised learning experience for all team members. Participants engage in a team change process with a renewed behavioural awareness and tools they can use when working on targeting results, holding each other accountable to results and on building their team.

Demo Experience

The Five Behaviours of a Cohesive Team assessment is designed for an intact team. It leverages the power of DiSC(r) for DiSC users &/ Or All Types, for MBTI users.

Performance Partners invite you to take a demo experience to find out how your team could benefit from further facilitation. To register your interest or for more information please email us info@performancepartners.ie
